

During the MultiEd project implementation (2019-2023), V.N. Karazin Kharkiv National University achieved the following results:

1. The project enhanced the potential of 110 academic staff through 20 MultiEd courses, internships, and study visits we took part in. We also enhanced the academic potential and job employability of 1084 students of different levels. We participated in all the content, quality, dissemination, and managerial events.

2. We launched a "Multimedia Lab". Laboratory Photos are available [here](#).

3. We introduced two new curricula for future experts in foreign language training:
- a new BA curriculum English Language and Literature and Translation and Second Foreign Language (speciality: 035 Philology), currently followed by 1020 BA students. The updated curriculum is available [here](#).

- a new MA curriculum English Language and Literature and Translation and Second Foreign Language (speciality: 035 Philology), currently followed by 97 MA students. The updated curriculum is available [here](#).

4. We introduced eight new courses for BA, MA, PhD students of V.N. Karazin Kharkiv National University.

Course 1: BA Introduction to CLIL.

Course 2: BA Language Culture Society

Course 3: MA Academic writing

Course 4: MA CLIL methodology

Course 5: MA Media Literacy

Course 6: PhD Academic Writing for Research

Course 7: PhD CLIL methodology in the context of Humanities

Course 8: BA Information Technology and Academic Integrity

The courses syllabi are available [here](#).

5. We updated eleven courses for BA, MA students of V.N. Karazin Kharkiv National University.

Course 1: British and American Studies 035 BA
